All the best from Mojoo collection

“

Mojoo is a creation of design that is inspired by who I am and what I like.
I create my collections according to my own taste.
Everything has to fit into my own home.

Mojoo er en kreation af design, som er inspireret af hvem jeg er og hvad
jeg kan lide. Jeg sammensætter kollektionerne efter min egen smag.
Alt må gerne passe ind i mit eget hjem.”

Materials

Lux

LUX lacquer ware in high gloss lacquer is produced in Vietnam from old traditional techniques and every product takes up to 45 days to produce. These handmade products are created in small craft villages. The base is done in MDF and lacquered 10-12 times with certified lacquer to retrieve the high quality and a luxurious look. The lacquer ware is packed in recyclable material. Can be cleaned with lukewarm water with soap. Not dishwasher safe.

LUX lakvarer i højglans lak er produceret i Vietnam efter gamle traditionelle teknikker og hvert produkt tager op til 45 dage at producere. De håndlavede produkter bliver skabt i små craft villages. Basen er udført i MDF og lakeret 10-12 gange med certifieret lak for at opnå en høj kvalitet og et luksuriøst udtryk. Lakvarerne pakkes i genanvendeligt materiale. Kan rengøres med lunken vand tilsat sæbe. Tåler ikke opvaskemaskine.

Sting

The STING products are created from a base in MDF and lined with artificial leather in a print inspired by the ray. The production of the textile is included in the REACH ordinance, which purpose is to minimize the use of chemicals, and to regard to human welfare and the environment. The textile has a soft and water resistant surface, which easily can be cleaned with a moist towel.

STING varerne er bygget op omkring en base i sporbar MDF og beklædt med kunstlæder i et print skabt med inspiration fra rokken. Produktionen af tekstilet er omfattet REACH forordningen, som har til formål at begrænse kemikalier og tage hensyn til mennesker og miljø. Tekstilet har en blød og vandafvisende overflade og kan tørres af med en fugtig klud.

Agat

The Agat products are produced from semi precious gemstones. The stones are created in nature. The stones are cut in very thin slices and composited by hand, so each product is unique and has its very own beautiful look.

All agat products are handmade in Craft Villages in Asia. Best cleaned with lukewarm water with soap. Do not scratch the metal with sharp objects.

Agat produkterne er produceret af halvædelsten. En sten som er skabt af naturen. Stenene er unikke og skåret i tynde skiver og sammensat i hånden, så hvert produkt har sit helt eget smukke udtryk.

Alle Agat produkterne er håndlavede i små traditionelle Craft Villages i Asien. Rengøres bedst med lunken vand tilsat sæbe. Skrab ikke på metallet med en skarpe genstande.

Ixora, Pea Pod, Wave

Handmade products in brass with a lightly brushed surface. Since all the products are handmade and therefore exploits the detailed expression in each product. The special techniques have been brought down from generation to generation.

The Brass products are created from recycled material. Old tools, surplus from industries is recycled into creating new and unique products. It makes every product special. Best cleaned with a damp cloth. Wave platters do not tolerate vinegar and other foods with acidic content, it will affect the patina of the platter.

Håndlavede produkter i messing med en let børstet overflade.

Alle produkter er håndlavede og deraf kommer det detaljerede udtryk i hvert produkt. De specielle teknikker videregives fra generation til generation.

Messing produkterne skabes af genbrugsmateriale. Gamle redskaber, overskud fra fabrikker og andet genbruges og skaber nye unikke produkter.

Det giver et helt specielt udtryk i materialet. Rengøres bedst med en fugtig klud. Wave fade tåler ikke eddike og andre fødevarer med syreholdigt indhold, vil det påvirke farven på fadet.
